WHOSE Death Is It, Anyway? reviewed by Rogers RE 23(9):57

YOUR TURN TOPICS

How do or would you integrate disease prevention and health promotion into the clinical conferences/planning sessions/inservice programs in your facility? 23(11):46-50

How do you deal with an RN family member who attempts to manage the care of his or her relative? 23(4):44-48

How do you determine when a resident of a Special Care Unit for dementia should be discharged from that unit? 23(2):47-49

How do you encourage the use of mobility aids in your patients? 23(6):44-46

Major increase in the number of older adults is big news today. How do you feel about being part of those statistics? Should you need nursing care, what is your expectation about how that care should be provided?, The 23(8):41-44

Omnibus Budget Reconciliation Act (OBRA '87) required several changes in the Medicare and Medicaid programs for nursing home care. Among the changes mandated by this legislation was screening of all persons prior to admission to a nursing facility targeting the mentally ill, mentally retarded, and those with related conditions such as cerebral palsy and autism, so that they would be appropriately placed in nursing homes that could meet their needs. This was accomplished by mandating Pre-Admission Screening and Annual Resident Reviews (PASARR). In your opinion, has the PASARR effort been successful for the mentally ill elderly?, The 23(12):48-52

Over the past year, how many patients have asked you to inject drugs to intentionally end their lives? Have you ever injected drugs to intentionally end a patient's life? 23(3):57-59

What are your best sources of help for resident care problems? 23(5):60-62
